Programme of work for use during the school closure.

Dear Parents/Guardians,

Our teachers have been preparing for the possible closure of school by compiling a programme of work. The aim is:

- To help your daughter to continue to engage with her curriculum of work.
- To maintain and further develop her progress to date.

Please find enclosed a programme of work which has been prepared for your daughter's class. The areas of work have been selected with a purpose.

In addition, we cannot emphasise enough how important it is to **read** with your daughter.

There are some excellent resources available on-line. One which we use extensively in school is www.twinkl.ie. Because of the closure, they are offering parents a one month FREE Ultimate Membership. It will give you unlimited access to every resource for all classes, Junior Infants - 6th. Setting this up is really easy to do: Go to www.twinkl.ie/offer and enter the code IRLTWINKLHELPS.

An excellent Maths site is www.ie.ixl.com which also has a one month FREE trial. There are many other excellent websites, such as:

- www.nessy.com (Recommended for all pupils, especially pupils with dyslexia.)
- www.fun4thebrain.com (Maths. games)
- www.nationalgeographic.com/kids/littlekids
- www.the-schoolhub.ie (has free samples, such as: Tables Balloon Game)

Your daughter's programme of work may reference others.

All in Scoil Mhuire gan Smál wish you and your family well.

Kind regards,

Bernie Murphy
Principal
